

Political Spectrum: Liberal/Leftist (wrong) View

Key: (E) Economic system, (P) Political/Social system

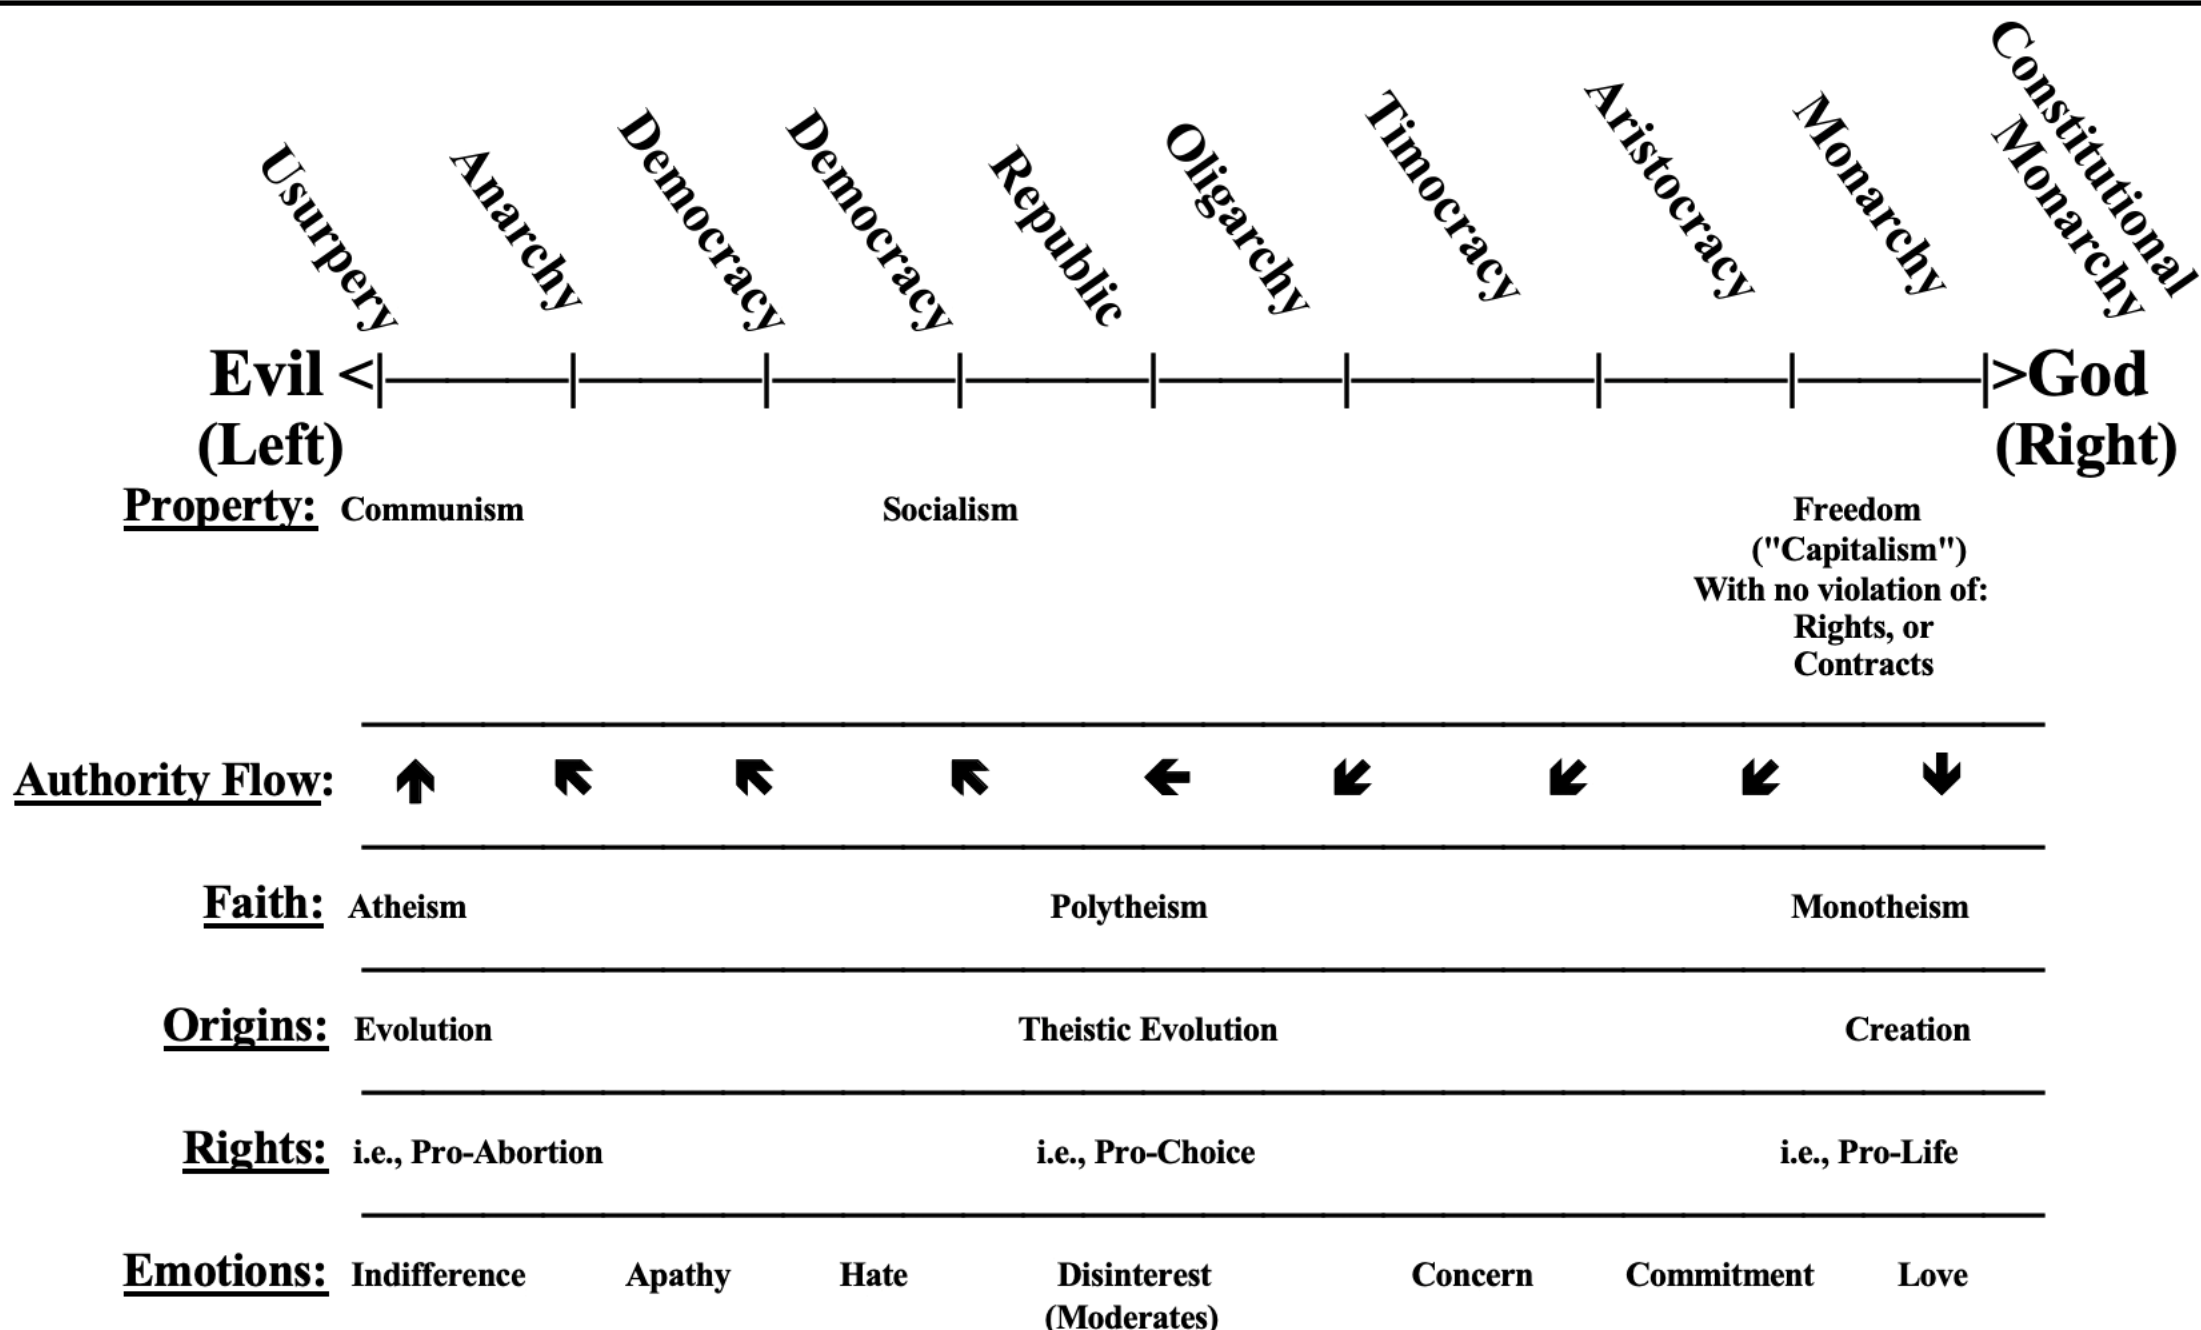

- Remember:
1. The left-wing view confuses economic with political/social systems
 2. Extremes never meet in reality
 3. "Political Correctness" equates right-wing thought with left-wing NAZIsm
 4. Prefer the term Freedom, rather than the Marxist term *Capitalism*

Conservative (also wrong) Political Spectrum

Key: Size of Government

True Political Spectrum (based on authority flow)

- Left:
1. Relativism
 2. Legal positivism ("any law is right, if its law" Oliver Wendell Holmes, Jr., & NAZI courts)
 3. Subjectivity
 4. Rebellion:
i.e., Kill (euthanize, infanticide, abort), steal (overtax), and fornicate

- Right:
1. Absolute authority
 2. Absolute law
 3. Absolute right and wrong
 4. Do Not:
Murder, steal, or fornicate
