Dr. Henry Richter

Dear Dr. Richter, Congratulations!

As expressed to you by Mr. Larry Weber, RCA Awards Committee Member, the Radio Club of America is proud to present you with this year's Lifetime Achievement Award. As you well know the Club recognizes achievements with several major awards which are presented at the annual Awards Banquet. These awards are meant to provide public recognition to outstanding individuals.

Established in 2015, and by this Award, RCA's Board of Directors recognizes very significant achievements and a major body of work accomplished over a lifetime that has advanced the art and science of wireless technology. I am therefore confirming to you where at the most recent Board Meeting of the Radio Club of America your nomination was approved. Board Member Mr. David Bart nominated you. The Awards Committee unanimously approved the nomination.

The RCA Award Recipients of 2019 will receive their awards on the evening of Saturday, November 23rd 2019 at our annual banquet to be held at the Westin Hotel Times Square in New York City. Full details of the Gala Event and the Technical Symposium on the same day may be found on the Club's web site. www.radioclubofamerica.org. Kindly confirm your presence.
